

Pupil Premium Strategy Statement – Sept 2018

1. SUMMARY INFO	1. SUMMARY INFORMATION					
School	Town End A	Town End Academy				
Academic Year	2018/19	Total PP Budget	£108,240	Date of most recent PP Review		
Total number of	193	Number of pupils eligible	82 (110 inc	Date of next internal review of this strategy	NA	
pupils	(244 inc N		N)			
	and 2's)					

2. CURRENT ATTAINMENT		
Class of 2018 (unvalidated)	Pupils eligible for PP (School) GDS*	National Average 2017 (ALL) GDS*
% Achieving in reading, writing and maths	60% 0 %*	61% 9%*
% Achieving in reading	67% 40 % *	71% 25%*
% Achieving in writing	67% 13 %*	76% 18%*
% Achieving in maths	73% 13%*	75% 23%*

3. Barrie	ers to future attainment (for pupils eligible for PP, including high prior attainment)
IN SCHO	OOL BARRIERS (Issues to be addressed in school)
A.	Oral language skills on entry into EYFS are lower, especially for pupils eligible for PP. This slows reading and writing progress in subsequent years.
B.	Less middle and low ability pupil premium pupils achieve the higher standards in Year 6 in R, W, M and SPAG
C.	The quality of teaching remains a key focus for the school as in a minority of areas, with recently qualified staff, it remains variable which impacts on outcomes
	for pupils.
D.	Attainment of some groups of pp pupils across the school are a cause for concern especially reaching GD - Year 3, year 4 and year 6
	(2018/19) achieving expected standard, year 5 and year 6 (2018) achieving at greater depth although all year groups pp outcomes are higher than national
E.	Behaviour and emotional issues for a small group of Y6 and Y3 mostly eligible for PP are having detrimental effect on their academic progress and that of their
	peers.
F.	68% of pupil premium pupils have been in receipt of FSM for 2 years or more indicating prolonged periods of deprivation
EXTERN	IAL BARRIERS (issues which also require action outside of school)
F.	Attendance rates for pupils eligible for PP are 94.6% This reduces their school hours and causes them to fall behind.
G.	Limited parental support with reading and homework across the school. This slows reading and writing progress.
H.	Many pupils come to school hungry and malnourished each day, this slows progress and impacts on levels of concentration, especially in the morning.

4. DE	SIRED OUTCOMES:	
	Desired Outcomes and how they will be measured:	Success criteria:
A.	Improve outcomes for pupils in Reception, especially in CLL – speaking,	Improved GLD score for pupils exiting EYFS in July 2019
	listening and understanding.	Improved CLL scores for pupils eligible for PP in July 2019.
B.	Higher rates of in year progress, especially in KS2 for pupils eligible for	In year average progress rates are 3+ steps for pupils eligible for PP in every year
	PP	group and this group make at least as much progress as 'other' pupils.

		Progress over time rates are in line with the following: Y3: 3+, Y4: 6+, Y5: 9+, Y6: 12+ for pupils eligible for PP and this group makes at least as much progress as 'other' pupils. Moderated judgements across the MAT by termly MOD squads.
C.	Triangulated monitoring demonstrates that more teaching is judged as consistently good or better.	Teaching profile, based on triangulated monitoring, improves to 100% consistently good or better.
D.	Accelerated rates of progress for low/ high prior attainment pupils eligible for PP so that more meet the expected standard in every year group and by the end of KS2.	Low/ high attaining group in every year group make better in year progress (3 steps) with more making accelerated and meeting the expected standard.
E.	Number of behaviour incidents reduce during lesson time, and at playtime/ lunchtime – reducing the number of exclusions	Improved Exit KS1 (Y2) outcomes for pupils eligible for PP in reading, writing and maths. Improved Year 4 (class of 2020) outcomes for pupils eligible for PP in reading, writing and maths. Improved Y5 and 6 (class of 2018/19) outcomes for pupils eligible for PP in reading, writing and maths at greater depth
F.	Attendance rates for pupils eligible for PP improve resulting in academic outcomes improving.	2018/19 attendances for pupils eligible for PP was 94.6%. In 2018/19 academic year this will improve.
G.	Improved % of pupils reading at home, and in school to improve outcomes in reading.	Improved reading and writing exit data in all year groups for pupils eligible for PP.
H.	Improve pupil well-being and ensure they have all requirements to access learning at all times	Improved concentration in lessons Improved behaviour for learning evidenced through lesson observations. Self-regulation techniques being used well across the school

Academic	5. PLANNED EXPENDI	8/19			
year					
Desired Outcomes	i) QUALITY OF TEACHI Chosen action/ approach	NG FOR ALL Evidence for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation
E: Number of behaviour incidents reduce during lesson time, and at playtime/ lunchtime – reducing the number of exclusions F: Attendance rates for pupils eligible for PP improve resulting in academic outcomes improving.	 C+F liaison officer employed 0.5 Senior admin monitor attendance New data management system in place CPD Nurture provision 0.5 School counsellor employed from first steps counselling Emotional health team in place (SENCO and TA) Engagement with OPAL Forest school 0.2 weekly After school clubs Music provision Art provision Breakfast club (free) 	 Impact of external attendance officer negligible so school to take on full attendance responsibility – DHT and C+F liaison worker to take responsibility Weekly targets for pupils Attendance certificates sent out to parents half termly for pupils below 98% Attendance awards for pupils with attendance above 98% termly Nurture provision in place for vulnerable pupils with emotional/behavioural issues School counsellor employed 0.1 weekly for 2018 - 19 Ongoing emotional healthy school activities and sharing best practice with network of local schools School continue to develop outdoor lunchtime provision to ensure pupils are ready for learning (OPAL programme) Ongoing enrichment opportunities for pupils to develop 'foundations for learning' linked to attitudes and readiness to learning (forest school, after school clubs, music provision, artist, invention shed) 	 CPD on effective attendance management SI Partner recommended actions % child and family workers working week focused on attendance in 2018/19 HT to monitor attendance and impact of any actions taken half termly – linked to HR perf management Regular OPAL meetings to evaluate practice and improve – OPAL award for school by spring term Monitoring of enrichment opportunities Pupil questionnaires 	DHT, Child and family liaison officer	Sept 18 Sept 18 Jan 19

This approach is in line with research that demonstrates that Social and Emotional Learning interventions have an identifiable and significant impact on attitudes to learning, social relationships in school, and attainment itself, which produces +4 months of progress.

https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/social-and-emotional-learning/

The EEF Toolkit suggests that targeted interventions matched to specific students with particular needs or behavioural issues can be effective, especially for older pupils.

https://www.gov.uk/government/publications/the-pupil-premium-how-schools-are-spending-the-funding-successfully - In line with the research, providing pupils with access to a full range of educational experiences can decrease outcome gaps.

The Education Endowment Foundation has researched the positive benefits of Art Participation - https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/arts-participation/

Good attendance is also listed in the top 10 approaches for disadvantaged pupils in https://www.gov.uk/government/publications/the-pupil-premium-how-schools-are-spending-the-funding-successfully

D: Accelerated rates of progress for low/ high prior attainment pupils eligible for PP so that more meet the expected standard in every year group and by the end of KS2. E: Number of behaviour incidents reduce during	SEN Team – SENCO with responsibility for behaviour, mental health and emotional well being, including SEN Additional EP	 Further assessment of pupils needs from emotional attachment team, Ed psych, nurture assessments and counselling service to identify barriers and ways to overcome these Ongoing C+F support for hard to reach families and pupils Ongoing CPD for all staff. MAT CPD and links to teaching school 	 Regular SEN reviews Termly evaluation of provision in Nurture and counselling Recommendations from staff and parents re who is high priority for support Graded response in place from SENCo's to inform 	SENCO	July 18 Sept 18 Oct 18
lesson time, and at playtime/ lunchtime - reducing the number of exclusions	time bought in to support pupils/ provide specific and targeted support/ interventions. – precision teaching SEN support SLA from the LA	New performance management in place reviewed termly to increase T+L to 100% good or better consistently	decision making Termly designated SM time to evaluate provision		– Termly targets set

Rationale: -

http://onlinelibrary.wiley.com/doi/10.1002/bin.1418/abstract Research shows that Precision Teaching demonstrates an impact on reading fluency.

In the EEF Attainment Gap 2017 report, it states that targeted small group and one-to-one interventions have the potential for the largest immediate impact on attainment https://educationendowmentfoundation.org.uk/evidence-summaries/attainment-gap/

Reducing class size is demonstrated by the EEF to show increased progress at <a href="https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/reducing-class-special-reducing size/

feedback will be the focus for term 1

ii) TARGETED S	UPPORT				
Desired Outcomes	Chosen action/ approach	Evidence and rational for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A: Improve outcomes for pupils in Reception, especially in CLL – speaking, listening and understanding. C: Triangulated monitoring demonstrates that more teaching is judged as consistently good or better. G: Improved % of pupils reading at home, and in school to improve outcomes	 ECAT, Launchpad to literacy training for EYFS staff. EYFS tool kit used for 1/1 intervention to plug gaps 	 EEF guidance demonstrates that an increase emphasis on speaking and listening skills will have an impact on literacy outcomes for all pupils – and those from disadvantages backgrounds Staff CPD ongoing with WISE FS executive leader 	 INSET days to deliver training WISE FS executive leader supports staff through ongoing coaching and mentoring 	WISE FS executive leader Kirsty Page	Ongoing reviews and visit forms completed identifying next steps

In the EEF Attainment Gap 2017 report, it states that professional support and training for early years workers is key. Areas with potential include communication and language approaches; self-regulation strategies; and parental involvement https://educationendowmentfoundation.org.uk/evidence-summaries/attainment-gap/

Smaller class sizes in target progress, especially in KS2 for pupils eligible for PPD: Accelerated rates of progress for low/high prior attainment pupils eligible for PPs of that more meet the expected standard in every year group and by the end of KS2. Smaller class sizes in target progress through this method coaching and mentoring provided from DHT to other Year 6 teacher support T+L Coaching and mentoring provided from DHT to other Year 6 teacher support T+L Smaller class sizes in target progress through this method progress through this method progress through this method progress through this method progress to coaching and mentoring provided from DHT to other Year 6 teacher support T+L Smaller class sizes in target progress through this method progress through this method progress to coaching and mentoring provided from DHT to other Year 6 teacher support T+L Smaller class sizes in target progress through this method progress through this method progress through this method progress to coaching and mentoring provided from DHT to other Year 6 teacher support T+L Smaller class sizes in target progress through this method progress through the progress through this method progress through this method prog	progress scores- with particular focus on low/ high teachers in Y6 in seessments monitoring o

Rationale

Reducing class size is demonstrated by the EEF to show increased progress at https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/reducing-class-size/

iii) OTHER APPROACHES							
Desired Outcomes	Chosen action/ approach	Evidence and rational for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?		
E: Number of behaviour incidents reduce during lesson time, and at playtime/ lunchtime – reducing the number of exclusions	 Pupil workshops to enrich curriculum/ subjects areas Pupil trips and residential visits OPAL programme engaged with Enrichment offer through curriculum provision – forest school, artist, after school clubs, music tuition Nurture provision 	Enrichment opportunities and working on non-cognitive skills is proven to impact on learning outcomes (EEF 2013)	 Ongoing CPD and monitoring from OPAL Further questionnaires and reaudit of provision Reduction in incidents on lunchtime Children ready to learn straight after break times. Skills based curriculum overview for all staff/pupils in place incorporating key skills across the curriculum and within the wider enrichment opportunities 	HT OPAL team	Mar 19 Jan 19 Sept 18		

Research from the EEF suggests that interventions which target social and emotional learning have an identifiable and significant impact on attitudes to learning, social relationships in school and attainment (on average +4 months progress). https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/social-and-emotional-learning/

Outdoor Adventure Learning - https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/outdoor-adventure-learning/ Overall, studies of adventure learning interventions consistently show positive benefits on academic learning. On average, pupils who participate in adventure learning interventions make approximately four additional months' progress over the course of a year. There is also evidence of an impact on non-cognitive outcomes such as self-confidence">https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/outdoor-adventure-learning/ Overall, studies of adventure learning interventions make approximately four additional months' progress over the course of a year. There is also evidence of an impact on non-cognitive outcomes such as self-confidence

Research led by Dr Nina Kraus at Northwestern University found that learning to sing or play a musical instrument can help disadvantaged children improve their reading skills. http://www.bbc.co.uk/news/health-28703013

H: Improve pupil well-being and ensure they have all requirements to access learning at all times Daily breakfast club offered and managed by TA's Well-being/attachment aware programme to share expertise across local schools	 Case study evidence demonstrates the impact the attachment aware/emotional support on pupils Continued use of self-regulation areas and resources to support pupils Counselling service used for additional intervention or some pupils (all PP) EEF research into breakfast clubs supporting outcomes for pupils 	 HLTA responsible for wrap around – monitors and coaches/mentors where necessary New group of local schools established to take forward attachment aware focus and develop a regional hub of expertise 	North area heads SENCO (PD) and TA (EL)	Jan 19
--	--	--	---	--------

Evidence for the EEF found positive impact in the provision of breakfast for primary-age pupils and it is felt that given the context and background of disadvantaged pupils, particularly in Year 7, that this will also be beneficial at secondary: https://educationendowmentfoundation.org.uk/projects-and-evaluation/projects/magic-breakfast#closeNav
